

Why Preventive Care Plans?

Preventive Care Plans provide preventive veterinary services for one year, with the cost divided into 12 affordable monthly payments. You can upgrade your plan as your pet ages.

All plans include:

- Preventive care examinations and core vaccines.
- A copay examination fee on scheduled visits.
- Additional discounts on eligible items not included in the plan.

At East-West Animal Hospital, we look forward to helping you provide your pet with the best possible care at every stage of life. Preventive Care Plans help us make that care more affordable and convenient for you.
